Chairman's Message

In today's rapidly evolving world, students are standing at a crucial crossroads where choices are vast, but clarity is often limited. The present scenario demands not only academic excellence but also adaptability, skill development, and a forward-looking mindset. At The SAGE Group, we understand the aspirations and challenges of today's youth. Our focus is to empower students with industry-relevant knowledge, practical exposure, and a strong value system that prepares them to face real-world challenges with confidence. We believe that the right guidance at the right time can shape a successful future. Through our academic ecosystem, we strive to nurture talent, encourage innovation, and help students transform their dreams into reality. I extend my best wishes to all aspiring students for making informed choices and embarking on a journey of growth, learning, and success.

Er. Sanjeev Agrawal, CMD, SAGE Group

About SIRTS-PHARMACY

Sagar Institute of Research Technology & Science-Pharmacy (SIRTS-P), is a professionally renowned pharmacy institute in Bhopal, accredited by NBA, approved by PCI, New Delhi & affiliated by RGPV, Bhopal. It was established in the year 2007. The main goal of SIRTS-Pharmacy is to render professional skills, knowledge, and abilities to serve in the pharmaceutical industry and to provide appropriate practical based learning to our budding pharmacists so that they serve effective medication services to the patients. Our rapid growth demands highly energetic person with a passion to excel and an urge to contribute. Pharmacy degree holders have a greater degree of flexibility than others because they can either work as entrepreneurs or in a hospital. Pharmacy graduates can work in several different industries such as sales, marketing, research and development, manufacturing, quality check and in education sector etc.
