## Chairman Message

Sagar Institute of Research Technology and Science Pharmacy Bhopal is committed to develop young minds for creative leadership in education, business and a proactive and useful role in social transformation. Today the need for being proactive and constructive is more acute than ever before due to the sweeping changes influencing every aspect of our life. Therefore, there is need for the action based on holistic training of youth to take on varied challenges of life.

SIRTSP Pharmacy offers its students the very best in terms of infrastructure and resources. The College lays great emphasis on high quality education. Its unique learning approach is designed to significantly contribute to the growth and development of each & every student. The learning environment of the institute is conducive & cordial and dig out the disciplined conduct with high moral values from the students.

I wish to assure all concerned that all efforts would be made to achieve and bring SIRTSP Pharmacy on the world map among the top pharmacy educational Institutions.

## About SIRTSP-PHARMACY

Sagar Institute of Research Technology & Science-Pharmacy (SIRTSP-P), is a professionally renowned pharmacy institute in Bhopal, accredited by NBA, approved by PCI, New Delhi & affiliated by RGPV, Bhopal.

It was established in the year 2007. The main goal of SIRTSP-Pharmacy is to render professional skills, knowledge, and abilities to serve in the pharmaceutical industry and to provide appropriate practical based learning to our budding pharmacists so that they serve effective medication services to the patients. Our rapid growth demands highly energetic person with a passion to excel and an urge to contribute. Pharmacy degree holders have a greater degree of flexibility than others because they can either work as entrepreneurs or in a hospital. Pharmacy graduates can work in several different industries such as sales, marketing, research and development, manufacturing, quality check and in education sector etc.
